Discussion on the Longevity of the Central & State Governments

VSN Murthy KP Astrologer
Kurnool, A.P.
E-mail : vsnm_vdl@yahoo.co.in
Mob: 9440 220 874

It is declared in "EENADU" Telugu daily news paper dated 23-5-2009 Saturday in 2nd page of the main paper that the "Swearing-in Ceremony of Shri. Manmohan Singh took place on 22nd May 2009 at 6-30 PM in Rashtrapathi Bhavan in New Delhi.

It is also published in EENADU & HINDU daily news papers that the Swearing-in Ceremony of Dr.YSR.Reddy on 20-5-2009 at 6-32 PM, at L.B.Stadium, Hyderabad.

The Swearing –in Ceremony charts are casted by using Dr. Rangarajan's software.

To determine one's longevity, we have to check and judge the houses 1, 3 and 8. 1st house indicates the longevity of the self. 3rd house shows an another house of promoting longevity. 8th house indicates longevity and death of the native/person. 2nd and 7th houses are called Maaraka houses for any Lagna.

Movable Signs = Mesha, Karkataka, Tula, and Makara.
Immovable or Fixed Signs = Vrishabha, Simha, Vrischika and Kumbha.
Common Signs = Midhuna, Kanya, Dhanashu and Meena.
11th house (bhava) is the Badhaka house for Movable Signs as Lagna.
9th house (bhava) is the badhaka house for Fixed Signs as Lagna.
7th house (bhava) is the badhaka house for Common Signs as Lagna.
If the lagna sublord is well connected to 1, 3, & 8, long longevity is indicated.
If the lagna sublord is connected in anyway to the Maraka, Badhaka houses, short life is indicated.

Therefore, in brief, 2nd, 7th and 11th are Maraka and Badhaka houses for Movable signs.

2nd, 7th & 9th are Maraka and Badhaka houses for fixed signs. 2nd and 7th houses are Maraka and Badhaka houses for Common signs.

KP. Rule (1):- If the cuspal sublord of the lagna be the significator of the badhaka and maraca houses, the life is very short. If the cuspal joint rulers of the lagna or 8th cusp be the significators of the badhaka and maraka houses, their joint period is very critical for life.

KP.Rule (2):- If the sublord of the 8th cusp is in the constellation of a planet which is the significator of maraka, badhakasthanas and also the significator of 8th house, and have some sort of connection with Nodes, Mars and the secret planet Saturn, One will try to commit suicide.

In the Swearing – in Ceremony chart of Shri Manmohan Singh, the lagna cuspal co-rulers are Mars/Jupiter/Moon as signlord/starlord/sublord respectively.

MARS: - It is the occupant of 5th and in the constellation of Mercury at 7. Mars is the owner of 1 and 6 and placed in the star of Mercury who is the lord of 8th and 11th houses.

Thus Mars signifies 7th -5th – 8th & 11th – 1st & 6th respectively in strength wise. (7th is maraka house) Mars is in the sub of Saturn who signifies strongly the 12th house which is not good for longevity.

JUPITER: - It is the occupant of 3rd and in the star of Mars at 5th house. It is the owner of 2nd & 5th and in the star of Mars who is the owner of 1 & 6. Jupiter signifies 5th – 3rd- 1st & 6th -2nd & 5th respectively. But no planet is in the stars of Jupiter and none is present in 2nd house. So he becomes a strong significator for 2nd house which is known as maraka house. Jupiter is in the sub of Ketu who signifies 9th as badhakasthana.

MOON: - It is the owner of 9th and the occupant of 6th in the constellation of Ketu at 9th house. So it is strong significator for 9th which is known as a badhakasthana. Moon is in the sub of Saturn who signifies the 12th strongly and 7th feebly. Saturn is in the star of Venus who is the lord of marakasthana 7th and 12th.

The 8th cusp co-rulers are Mercury/Mars/Mercury respectively as signlord /starlord/sublord.

MERCURY: - It is the occupant of the 7th and in the star of Sun who is at 7. It is the lord of 8th & 11th in the star of Sun who owns the 10th. Thus he signifies the 7th – 7th – 10th – 8th & 11th respectively strength wise. (7th is marakasthana). Mercury is in the sub of Jupiter having no planets in its stars and owns 2nd & 5th. None is in the 2nd house. So Jup becomes a strong and solo significator for 2nd house which is a maraka house.

Mercury is the owner of 8th in 7th and it is aspected by a node-Rahu with 5th aspect. Mars is associated with Venus who is the owner of 7th (maraka) Saturn is also aspecting the Mercury at 7. Thus both the rules mentioned above (i.e.) KP.Rule (1) and (2) are justified astrologically. About Mars already explained.

Therefore, astrologically I came to a conclusion that Shri. Manmohan Sing may not rule completely 5 years and in meanwhile SOME ONE may be nominated or selected or elected as Prime Minister who is an eminent person in Congress Party itself.

In the Swearing-in Ceremony chart of Dr. YSR. Reddy, the lagna cusp co-rulers are Mars/Saturn/Saturn as Sign lord /Star lord / Sub lord respectively.

MARS: - It is the occupant of 5th and in the star of Mercury who is very close to the seventh cusp (Maraka). It is the lord of 1 & 6, and in the constellation of Mercury who owns 8th & 11th. Thus Mars signifies 7th - 5th - 8th & 11th - 1st & 6th respectively strengthwise. Mars is in the sub of Jupiter who signifies 2nd house (Maraka) strongly as there are no planets in its stars and none is present in 2nd house.

SATURN: - It is the occupant of the 10th and in the star of Venus who is at 5th house. It is the lord of 3rd and 4th, and placed in the star of Venus who owns 7 & 12 (7th feebly and 12th strongly). Saturn is in the sub of Jupiter who signifies 2nd house (Maraka) strongly.

The 8th cusp co-rulers are Mercury/Mars/Venus as Signlord/Starlord/Sublord respectively.

MERCURY: - It is the occupant of the 7th and in the star of Sun at 7th. It is the owner of 8th & 11th and in the star of Sun who is the owner of the 10th house. Mercury is in the sub of Jupiter who signifies 2nd house (maraka) Thus Mercury signifies 7th and 2nd (both maraka houses) starwise and subwise respectively.

MARS: - Already explained

VENUS: - It is the occupant of 5th and in the star of Mercury who is very close the the seventh cusp. (7th maraka). It is the lord of 7 & 12 and placed in the star of Mercury who owns 8th and 11th houses. Venus is in its own sub and it is associated with Moon (badhaka lord) and Mars.

After scrutinizing the above explained astrological points, it is to state the government of Dr. YSR Reddy in the State also may not continue its tenure (i.e.) 5 years completely

The readers and the learned members of this esteemed group are requested to note that this analysis is not done on any political leanings, but it is done purely on astrological K.P. basis only by taking into consideration of the Swearing – in Ceremony chart.

Shri. Manmohan Singh's Swearing-in Cermony

K.P. SCANS AZOOSPERMIA

VSN Murthy
KP Astrologer

On 21-04-2009 at 07-04-03 PM, a client came to me to know about his progeny. He told that his marriage took place during the year 2000. But, since then no children are blessed for him.

When a client comes to us to know about his progeny, at that time, the 5th CSL should be either R.P. Moon Star lord, or R.P. Moon Sub lord or R.P. Moon Sub-Sub lord. Otherwise, 5th CSL is to be adjusted. In this natal chart the 5th CSL is Jupiter. He is in the R.P. Moon star lord. So we can proceed to judge further.

If the Sub lord of the 5th cusp is a significator of 2, 5 or 11, then only child-birth is promised. If the sub lord of the 5th cusp is a significator of 1, 4, 6, or 10, then the child-birth is not promised. In the same way the sub lord of the 11th cusp is to be checked to signify the desired houses. Even though the 5th & 11th CSL is a significator of the required houses 2, 5, or 11 houses, we have to concentrate our mind on the following a few points while judging:

a)	Co-relation of the co-rulers of 5th and 11th cusps.
b)	Jupiter is the Chief Governor for progeny; Putrakaraka.
c)	Sun is the indicator of potentiality and vitality in Males.
d)	Venus is the indicator of Semen.
e)	Mars is the significator for blood.
f)	Moon is the indicator of sex instinct in both male & female.
g)	Mesha, Midhuna, Simha and Kanya are called as Barren Signs.
h)	Taurus, Libra, Sagittarius and Capricorn are called as Semi-fruitful signs.
i)	Cancer, Scorpio, and Pisces are called fruitful signs.
j)	Mercury is known as HERMOPHRODITE planet.
k)	Ketu is an abortive planet.
l)	Semen of normal Male person must be 60 to 150 millions of sperms per cubic mille-meter of semen. If the sperm count is less that 60 millions, then it is known as OLIGOSPERMIA.
m)	TOTAL ABSENCE OF SPERM IN SEMEN IS KNOWN AS AZOOSPERMIA.

In this natal chart, Jupiter is the sub lord of 2, 5, and 11 cusps. He is in a barren sign-Gemini. He is the owner of 1 & 4 and also exactly with one degree difference on the 7th cusp. Jupiter ® is in Gemini. 7th cusp is also in Gemini. He is in the star of Rahu at 10 in a barren sign- Virgo exactly on the 10th cusp. Rahu in Virgo; 10th cusp in Virgo;

Jupiter is in the sub of Saturn who is situated in another barren sign Leo in 8th. Saturn is in the star of Ketu an abortive node exactly on the 4th cusp; in Pisces sign. Ketu in Pisces. 4th cusp is 21-41;

Sun, Moon and Venus are all in a semi-fruitful sign-Libra. Jupiter is exactly on the 7th cusp in Gemini and aspects Sun-Moon-Venus. Mars also nearer to 8th cusp aspects these three planets with his fourth aspect. Saturn a deficiency planet posited in Leo a barren sign aspect Sun-Moon-Venus with its 3rd aspect.

Jupiter is in the sign of Badhaka–Gemini. Though Mercury is in a fruitful sign, he is in the constellation of Saturn placed at a barren sign–Leo. Mercury is the first grade significator of 8th. Ketu is also in Mercury star, who is a badhaka lord.

Jupiter holds the sub lordship of 2nd, 5th, and 11th cusps. As he is well connected to badhaka and barren signs, it is one of the reasons of Azoospermia. (2) Sun, the indicator of potentiality and vitality in male; Venus, the karaka for semen,; Moon, the indicator of sex instinct in both wife and husband, are all in semi-fruitful sign and they are aspected by Saturn who is in Leo, a barren sign. Saturn is a deficiency planet. This is also another reason for Azoospermia. (3) Sun's star lord Jupiter, Moon's star lord Rahu, Mars and Mercury's star lord Saturn, Jupiter's Sub lord Saturn, Saturn's sub lord Rahu all these are placed in the barren signs. Thus majority of the planets are well connected to the barren signs and badhaka is also another cause for Azoospermia.

At present, this native is running Saturn Dasa / Saturn Bhukti form Dec-2008 to Dec-2011. Let us see what are the houses signified by the Saturn.

Saturn is the lord of 2 & 3 and the occupant of 8th, but stationed in a barren sign-Leo, and he is in the constellation of Ketu at 4. (Ketu is exactly on the 4th cusp). Thus Saturn signifies 4, 8, & 2-3 star wise. He is in the sub of Rahu. This Rahu is the occupant of 10th and in the star of Moon at 10. Moon is the lord of 8th house. Thus Saturn signifies through Rahu as sub lord 10 & 8. These are all not desired houses for procreation (Child-Birth).

After explaining my analysis in detail to my client, then he accepted the fact. He approached so many specialists in medical field but in vain. The investigations of the medical persons are also the same declared as "AZOOSPERMIA"

Readers may see as to how accurately the prediction came true. This is not at all the greatness of my efforts in prediction. It is only the K.P. which is a wonderful scientific method given to us by our great master, Late Sri. K.S. Krishnamurti. Although Prof. K.S.K passed long back, his theory of Sub (Krishnamurti Paddhathi) is still living and will live forever.

Discussion on the Longevity of the Central & State Governments

VSN Murthy KP Astrologer
Kurnool, A.P.
E-mail : vsnm_vdl@yahoo.co.in
Mob: 9440 220 874

It is declared in "EENADU" Telugu daily news paper dated 23-5-2009 Saturday in 2nd page of the main paper that the "Swearing-in Ceremony of Shri. Manmohan Singh took place on 22nd May 2009 at 6-30 PM in Rashtrapathi Bhavan in New Delhi.

It is also published in EENADU & HINDU daily news papers that the Swearing-in Ceremony of Dr.YSR.Reddy on 20-5-2009 at 6-32 PM, at L.B.Stadium, Hyderabad.

The Swearing –in Ceremony charts are casted by using Dr. Rangarajan's software.

To determine one's longevity, we have to check and judge the houses 1, 3 and 8. 1st house indicates the longevity of the self. 3rd house shows an another house of promoting longevity. 8th house indicates longevity and death of the native/person. 2nd and 7th houses are called Maaraka houses for any Lagna.

Movable Signs = Mesha, Karkataka, Tula, and Makara.
Immovable or Fixed Signs = Vrishabha, Simha, Vrischika and Kumbha.
Common Signs = Midhuna, Kanya, Dhanashu and Meena.
11th house (bhava) is the Badhaka house for Movable Signs as Lagna.
9th house (bhava) is the badhaka house for Fixed Signs as Lagna.
7th house (bhava) is the badhaka house for Common Signs as Lagna.
If the lagna sublord is well connected to 1, 3, & 8, long longevity is indicated.
If the lagna sublord is connected in anyway to the Maraka, Badhaka houses, short life is indicated.

Therefore, in brief, 2nd, 7th and 11th are Maraka and Badhaka houses for Movable signs.

2nd, 7th & 9th are Maraka and Badhaka houses for fixed signs. 2nd and 7th houses are Maraka and Badhaka houses for Common signs.

KP. Rule (1):- If the cuspal sublord of the lagna be the significator of the badhaka and maraca houses, the life is very short. If the cuspal joint rulers of the lagna or 8th cusp be the significators of the badhaka and maraka houses, their joint period is very critical for life.

KP.Rule (2):- If the sublord of the 8th cusp is in the constellation of a planet which is the significator of maraka, badhakasthanas and also the significator of 8th house, and have some sort of connection with Nodes, Mars and the secret planet Saturn, One will try to commit suicide.

In the Swearing – in Ceremony chart of Shri Manmohan Singh, the lagna cuspal co-rulers are Mars/Jupiter/Moon as signlord/starlord/sublord respectively.

MARS: - It is the occupant of 5th and in the constellation of Mercury at 7. Mars is the owner of 1 and 6 and placed in the star of Mercury who is the lord of 8th and 11th houses.

Thus Mars signifies 7th -5th – 8th & 11th – 1st & 6th respectively in strength wise. (7th is maraka house) Mars is in the sub of Saturn who signifies strongly the 12th house which is not good for longevity.

JUPITER: - It is the occupant of 3rd and in the star of Mars at 5th house. It is the owner of 2nd & 5th and in the star of Mars who is the owner of 1 & 6. Jupiter signifies 5th – 3rd- 1st & 6th -2nd & 5th respectively. But no planet is in the stars of Jupiter and none is present in 2nd house. So he becomes a strong significator for 2nd house which is known as maraka house. Jupiter is in the sub of Ketu who signifies 9th as badhakasthana.

MOON: - It is the owner of 9th and the occupant of 6th in the constellation of Ketu at 9th house. So it is strong significator for 9th which is known as a badhakasthana. Moon is in the sub of Saturn who signifies the 12th strongly and 7th feebly. Saturn is in the star of Venus who is the lord of marakasthana 7th and 12th.

The 8th cusp co-rulers are Mercury/Mars/Mercury respectively as signlord /starlord/sublord.

MERCURY: - It is the occupant of the 7th and in the star of Sun who is at 7. It is the lord of 8th & 11th in the star of Sun who owns the 10th. Thus he signifies the 7th – 7th – 10th – 8th & 11th respectively strength wise. (7th is marakasthana). Mercury is in the sub of Jupiter having no planets in its stars and owns 2nd & 5th. None is in the 2nd house. So Jup becomes a strong and solo significator for 2nd house which is a maraka house.

Mercury is the owner of 8th in 7th and it is aspected by a node-Rahu with 5th aspect. Mars is associated with Venus who is the owner of 7th (maraka) Saturn is also aspecting the Mercury at 7. Thus both the rules mentioned above (i.e.) KP.Rule (1) and (2) are justified astrologically. About Mars already explained.

Therefore, astrologically I came to a conclusion that Shri. Manmohan Sing may not rule completely 5 years and in meanwhile SOME ONE may be nominated or selected or elected as Prime Minister who is an eminent person in Congress Party itself.

In the Swearing-in Ceremony chart of Dr. YSR. Reddy, the lagna cusp co-rulers are Mars/Saturn/Saturn as Sign lord /Star lord / Sub lord respectively.

MARS: - It is the occupant of 5th and in the star of Mercury who is very close to the seventh cusp (Maraka). It is the lord of 1 & 6, and in the constellation of Mercury who owns 8th & 11th. Thus Mars signifies 7th - 5th - 8th & 11th - 1st & 6th respectively strengthwise. Mars is in the sub of Jupiter who signifies 2nd house (Maraka) strongly as there are no planets in its stars and none is present in 2nd house.

SATURN: - It is the occupant of the 10th and in the star of Venus who is at 5th house. It is the lord of 3rd and 4th, and placed in the star of Venus who owns 7 & 12 (7th feebly and 12th strongly). Saturn is in the sub of Jupiter who signifies 2nd house (Maraka) strongly.

The 8th cusp co-rulers are Mercury/Mars/Venus as Signlord/Starlord/Sublord respectively.

MERCURY: - It is the occupant of the 7th and in the star of Sun at 7th. It is the owner of 8th & 11th and in the star of Sun who is the owner of the 10th house. Mercury is in the sub of Jupiter who signifies 2nd house (maraka) Thus Mercury signifies 7th and 2nd (both maraka houses) starwise and subwise respectively.

MARS: - Already explained

VENUS: - It is the occupant of 5th and in the star of Mercury who is very close the the seventh cusp. (7th maraka). It is the lord of 7 & 12 and placed in the star of Mercury who owns 8th and 11th houses. Venus is in its own sub and it is associated with Moon (badhaka lord) and Mars.

After scrutinizing the above explained astrological points, it is to state the government of Dr. YSR Reddy in the State also may not continue its tenure (i.e.) 5 years completely

The readers and the learned members of this esteemed group are requested to note that this analysis is not done on any political leanings, but it is done purely on astrological K.P. basis only by taking into consideration of the Swearing – in Ceremony chart.

ANDHRA PRADESH CHIEF MINISTER SHIFTING TO NEW OFFICE A KP MUHURAT ANALSIS

It is published in daily newspaper "SAKSHI" dated 27-Sep-2009, Sunday, that Honourable Sri. K. Rosaiah Garu, (Chief Minister of Andhra Pradesh State--at present) has decided to shift his office in to "C" block on "VIJAYADASIMI" dated 28-Sep-2009 at 9-21 A.M.

Untill now the current Chief Minister was administering the State from his office as Finance Minister, while earlier Chief Ministers including Late Mr. Y.S. Rajasekhara Reddy has operated from the C-block in the State Secretariat at Hyderabad.

The chart is cast as per the above information just to know astrologically how will be his popularity and success in politics (i.e.,) as C.M. if he goes into that "C" block.

I am to state that I have strictly followed the rules and regulations mentioned in ***"K.P.MUHURAT"*** – a novel technique in K.P. written and published by Muhurtha Samrat Sri.Kanak.B. Bosmia, Editor of K.P.E-zine.

ANALYSIS

(1) Ascendant Sublord should signify 1, 5,9,11 for long life of an event.

Ascendant sub lord Ketu is in 9 and Ketu is the sublord of 1 and 7 (Maraka). Ketu acts as an agent for Moon and Jupiter. Moon (3-10) is in the star of Sun (11 Badhaka) and in the sub of Jupiter (3-6).

Jupiter (3&6) is in the star and in the sub of Mars (9, 2&7 Maraka). So it is not good for long longevity.

Except Venus, all the planets are in any way connected in the stars and sub of the significators of Maraka and Badhaka. So, short longevity is predicted.

(2) 9th Sublord should signify 9, 10, 11, 2, 6. Sub lord should be Saturn or Mars.

9th sub lord Mercury having no planets in its stars (11 Badhaka- 9 & 12 Moksha) is in the star of Sun (11 Badhaka) and in the sub of Moon (3&10). Thus Mercury even though signifies 9 & 10.

It also strongly signifies 11th Badhaka and 12th Moksha. In addition to this Lagna CSL signifies short life.

(3) 10th sublord should signify 9,10,11,2,6. Sub lord should be Saturn or Mars.

10th sublord Jupiter (3, 3&6) is in the star and sub of Mars (9, 2&7 Maraka). Thus 10th sublord Jupiter signifies 9th as well as 2&7 Marakasthanas.

(4) 11th sublord should signify 9,10,11,2,6.

11th sublord Mars (9, 2&7 Maraka) is in the star of Jupiter (3-6) and in the sub of Ketu. Ketu indicates seventh Maraka strongly.

(5) Dasa and Bhukti should signify 9,10,11,2,6,

As Dasa lord Sun (11 badhaka) is in the star of Moon (3-10) and in the sub of Mars (9, 2&7 maraka).

As Bhukti lord Jupiter (3-6) is in the star and sub of Mars (9, 2&7 maraka) Thus the dasa and bhukti lords are also not favourable.

(6) This muhurtha is selected in Chara Rasi. 11th house will become the badhakalord for it. It should not be selected.

Therefore after careful observation of the above mentioned points, we can come to a conclusion that our present Honourable C.M.

Sri.K.Rosaiah garu may not continue as Chief Minister and he may be terminated / escaped from the post of Chief Minister of Andhra Pradesh.

shifting into C-Block

Now-a-days in the present society, there are so many fore-tellers such as Parrot astrologers, Foot-path astrologers, Hand-seeing astrologers (those who follows the Palmistry), Face-readers, Chenchu (Tribal) astrologers, Traditional astrologers, Scientific astrologers (KP followers) etc. etc. Besides this, there are some who are fore-telling by possession of Goddess / God / Supernatural elements in this society.

Now I am hereunder analyzing the natal chart of a lady of such category of possession. Her name is Smt. S.M. Lakshmi; D.O.B. = 06-01-1966, Tuesday; T.O.B = 10-10-00 PM.; P.O.B = Tirupati (A.P); Lat.13-39N; Long: 79-25E; Her Birth chart is also attached at the end of my analysis for the perusal of the readers of this esteemed magazine.

It will be very easy for us, if we know the Karakatwas (Significations) of both the relevant houses and planets well in advance before going to analyze.

HOUSES & THEIR KARAKATWAS:-

1st house: - honour; dignity; glory; comfort and happiness; success or failure in all attempts; general well-being; general candor; etc.

3rd house:- philosophical tendencies; conveying messages (communications); one's religious duty; mental inclination; courage; high ideals; fertile imagination; occult faculties; sub-consciousness status of the mind; etc.

5th house: - prayer by incantations; religious mindedness; spiritual practices; a person's tutelary deity; good morals; discrimination between virtue and sin; profound learning and wisdom; chanting of mantras; Poorvapunyasthana shows what meritorious deeds one could have done in the previous birth. etc.

8th house: - occultism and mystical subjects;

9th house: - Communications with spirits, auspious, pooja; tapas; japa; divine daiva upasana (spiritual initiation); intuition and higher thoughts; Dharma or virtue and of an occult and metaphysical mind. etc.

10th house:-One's name, fame, honour and recognition; public esteem; one's public life and popularity; power and prestige; ambition and authority; rank and renown; Artha (wealth); etc.

11th house: - well-wishers; close acquaintances; hopes, wishes and aspirations and their realization; success in all undertakings; peace after achievement of aspirations; un-conventional activities; Kama (desires);etc

12th house:-Moksha; true occultism; gift; charity; donations;

PLANETS & their Karakatwas:-

SUN: - atmakaraka (Soul of Kalapurusha);a symbol of spirit; constructive and creative; power of resistance and vitality; breath of life; consciousness'; individuality; hot planet;

MOON:-mind; mother; cold planet; impregnation; conception; birth of child; governs water; ever changing;

MARS:-outer planet; significant of energy; symbolizes the senses; physical delight and spiritual well-being;

MERCURY:-dualist; the friend of Apollo; Hindus regard Mercury as representing God Kesava, Narayana, Madhava, Vishnu; etc. He represents Dwaitham whereas Saturn denotes Adhvdaitham, as Mercury is for plurality while Saturn is for single one. Intellectual, highly intelligent, ingenious and analytical planet; retentive power and reproductive ability; gives curious to master occult science also; talkative planet;

JUPITER: - represents God Dakshinamurthy; Gnana karaka; Deva guru; Jupiter is for the uplift of the soul; one leads spiritual life without attaching much to domestic life. It is for Para Loka-Sthana; Philosophical planet;

VENUS:- is called Mahalakshmi, wife of Lord Vishnu; considered to be the Goddess of Love, marriage, beauty and comforts; kalatrakaraka (Chief governor for marriage); Asura Guru;

SATURN: - Chief Governor for Longevity; father of two significators of evil – Gulikan and Mandi; Philosophical planet; It is a barren, binding, cold, constant, dry, defense e, hard, nervous and secretive planet. Disharmony, dispute, difficulty, despondency, dejection and differences are the outcome of an evil Saturn. Plodding, preserving, patiently working, prudence, frugality, economy, saving, endurance, endurance, industry, thrift, power to keep secrets, stability, self-control, sense of duty, etc., are attributed to a beneficial Saturn. Saturn occupying the 8th house gives long span of life to the native; "Karako bhasva nasaya" does not apply to Saturn.

Rahu: - indicates the paternal grand-father; the mystical planet;

KETU: - indicates the maternal grand-father; Moksha karaka planet.

URANUS:-governs the central nervous system, the brain and motor nerves, thereby it offers supreme intelligence and research mind or perverted ideas. It causes sudden unexpected results including death. Occultism and mesmerism;

NEPTUNE: - offers psychic ability, feelings, inspiration and emotion. It gives the power to foresee; it increases one's passion. One may practice and try to have Clair-audience or crystal-gazing, hypnotism, mesmerism, thought-reading or spiritual development or to control devils or act as a medium with the spirit. It gives imagination and hence it is beneficial to poets, musicians, artists, painters etc., It

makes one; dreamy, imaginative; or learn black-magic or be religious, paradoxical impressionable or makes one an extreme in love affairs, secret attachments, It is difficult to understand the people who are governed by Neptune.

(1) "The greatness of the native is revealed by the strength of the cuspal sub lords of 1, 5 and 9. These houses are like the legs of a tripod-stand and merit great attention while dealing with the spiritual worth of native"–

In this birth chart, the 1st, 5th and 9th cusp fall in the star of Venus and in the sub of Saturn. Saturn is the sub lord for 1st, 3rd, 5th, 7th, 9th, and 11th cusps. Such Saturn is in the star of Rahu who is at 9th. Saturn is in the sub of Mars who signifies 5-4&9. Saturn is aspecting the 9th and lagna. Thus he signifies 1-5-9 clearly.

(2) The Sun (Atmakaraka) is found to be strong exactly on the 5th cusp. (5th is a trine).

Sun is the occupant of 5th and in the star of Venus who is at 5th along with the 9th lord Mars. Thus he strongly signifies the 5th. Sun is in the sub of Saturn who signifies strongly the 9th.This indicates the native's knowledge and interest of POORVAPUNYA & SOUL.

(3) Rahu, the mystical planet is the occupant of the 9th and in the star of Sun at 5. In the spiritual hierarchy, Rahu is of much significance. Thus the native is under the influence of a spiritualized Rahu who signifies 5-9-1 respectively strength wise. Thus
Rahu gives an interest for the occult and mystical ways for realizing GOD/Goddess.

(4) Saturn and Jupiter both are not only the philosophical planets but also the natural significators of spirituality. Jupiter trines Saturn. Saturn in Aquarius(spiritual sign) aspects 9th, Lagna and also the mystic sign Scorpio. This connection indicates spiritual and philosophical thoughts of the native.

The 9th lord Mars is aspecting the 9th, 12th, and Lagna respectively with 4th, 7th and 8th aspect.

(5) The 5th house governs initiation into inner life. The 5th and 8th lord Jupiter is the occupant of 10th in association with Moon who is the karaka for mathi (mind) and the lord of 12th (MOKSHA).Such Jupiter is aspecting 3rd, 5th and 7th respectively with his 5th, 7th and 9th aspects. He is also the constellation lord of 3rd, 7th, 11th cusps without having any planet in its stars. Thus Jupiter signifies the 10th, 3rd, 5th, 7th, and 11th.

(6) 9th house indicates the spiritual preceptor and also the Upasana Murthi (the form of God/Goddess on which meditates).In this chart, Mars the 9th lord in the star of Moon accounts for her devotion to the Devine Mother Maha Lakshmi. Both Saturn (philosophical planet) and Moon (Karaka for mind or mathi) are in the constellation of Rahu in 9 who signifies 5-9-1 respectively in strength wise. Thus it shows the divine grace of Goddess Maha Lakshmi.

(7) 3rd house indicates high ideals, fertile imagination, inspirational and occult faculties, and sub-consciousness of mind. Saturn as the sub lord of Lagna and his aspect on lagna gives the faculty of concentration and meditation and makes the native's personality fit for divine action.

(8) Neptune, the planet of spirituality is in 3rd signifies 10-3-5 & 8. Neptune is in trine aspect with Jupiter (5th & 8th lord at 10). Jupiter indicates brahmagnana or divine knowledge.

(9) The Sun in the 5th at birth indicates the occult, prophetic and spiritual views.

(10) The presence of Ketu in Scorpio (8th house of Kalapurusha) is a significant for spiritual perfection.

(11) "A planet in the constellation of the sub-lord of a particular cusp signifies that house strongly"- Ketu is alone is in the star of Saturn who is the sub lord of 1st, 3rd, 5th, 7th, 9th, and 11th. Thus Ketu signifies strongly the above said six houses.

Jupiter and Moon in 10th indicates digbala. Moon, the lord of Mokshasthana is placed in 10th along with Jupiter, the natural significator of spirituality. Both of them aspect 5th and the Lagna lord (Sun).This type of planetary configuration made the native a great mystic of a high spiritual order. The 9th lord Mars and occupant of 5th aspects the 9th, 12th and Lagna gave the native spiritual leanings.

1st and 9th are being aspected by Mars (9th lord). Mars and Sun are the occupants of 5th. Jupiter aspects the Lagnadhipathi (Sun) and also 5th house. Sun's disposition in 5th is noticeable. The sub lord of 1, 5, and 9 houses Saturn aspects the Lagna and bhagyasthana. Saturn the great significator for 9th is also noticeable one. Jupiter aspects Saturn and he signifies 5-9-10.

(12) If the sub lord of the Lagna is deposited in the constellation of a planet who is the significator of the houses 1 or 5 or 9, and also connected to the natural significators of the spirituality (i.e.) Jupiter and Saturn, one possesses the GOD/GODDESS.

In the natal chart of Smt.S.S.Lakshmi, the sub lord of the Lagna is deposited in the constellation of Rahu who is the significator of 5, 9, and 1 respectively in strength wise. Therefore, she possesses the Goddess Maha Lakshmi.

12th CSL Sun is in the sub of Saturn who is also the sub lord of 1-3-5-7-9 and 11.(for detailed description, please refer the Karakatwas of the said houses)

(13) "Whenever Jupiter connected either to Lagna or Moon in a horoscope, the native will have faith and knowingly or unknowingly will be doing meritorious deeds; he/she may also pray or do shanthi"---In this birth chart, Jupiter is associated with Moon in 10th (Karmasthana). So she has faith in Hindu Gods, and Hindu religion. She also does good things like helping the poor who are in need indeed. She will be praying Goddess Maha Lakshmi. As the lord of the 12th occupies the 10th along with Jupiter, one will spend money for the sake of good deeds only. Actually she donates the money to the orphanages, Vruddha Ashrams (old aged persons ashrams) etc.

(14) "Note in which sign the constellation lord of the Lagna sub lord is posited. If it is posited in a male sign, one will possess the male deity; if it is posited in a female sign, one will possess the female deity."

In this birth chart, the Lagna sub lord is Saturn. He is in the constellation of Rahu. This Rahu is stationed in Taurus sign which is a female sign. So, this lady possess the female deity (i.e.) GODDESS MAHA LAKSHMI.

(15) This native started the foretelling to the public during the period of Saturn/Jupiter/Rahu. The Dasanatha Saturn signifies the 9th strongly. The bhuktinatha Jupiter signifies 5-10-9 strongly and lastly the anthradasanatha rahu signifies 5-9-1 strongly. Thus all the three period lords are well connected to the relevant houses.

(16) If the 11th CSL is deposited in the constellation of a planet who is the significator of 5 & 10, one will surely have the satisfaction in spiritual life. Siddhi is indicated.

The 5th house indicates the initiation for Mantra. The 10th house shows how he/she will be practicing, regularly or not and the 11th house indicates his/her attainments.

Saturn, the 11th CSL is deposited in the constellation of Rahu who is the significator of 5. Rahu is in the sub of Venus who is the occupant of 5 and owns 3 & 10. Rahu represents Venus (5 – 3 & 10) as it is in the sign of Taurus. Thus both the houses 5 and 10 are signified by the 11th CSL. So SIDDHI is indicated to this native.

(17) "Jupiter – Moon = Rarajeswari or Lakshmi" – can be seen in page no.278 of Fundamental Principles of Astrology, Reader II, written by Late.Sri.K.S.K ji. Both the planets Jupiter and Moon placed in Gemini sign in the natal chart of this lady. So this native possesses GODDESS MAHA LAKSHMI.

(18) Generally the 5th lord in 10th gives intuitive and psychic abilities.

In this birth chart, the 5th lord Jupiter is posited in the 10th. So it gives intuitive and psychic abilities.

(19) Mars (5 – 4 & 9) and Jupiter (10 – 5 & 8) are in the sub of Mercury (4 – 2 &11).

05 = person's tutelary deity; Previous luck due to poorvapunya.
04 = house/home.
09 = Communications with spirits; divine daiva upasana;
10 = profession; name and fame;
08 = unearned wealth,
02 = self-acquisition, income, bank balance,
11 = Siddhi; fulfillment of desires.

Thus, She earns well (2 & 11) simply sitting in her house (4) without any physical labour (8) by giving predictions (5 & 10) to her clients with the kindness of her tutelary deity and her previous luck (5) through the communications of her divine daiva upasana (9).

(20) Propagandist: - As Jupiter aspects Saturn, she is to be considered as a Propagandist.

By taking all the above mentioned points in to consideration, I came to a conclusion that this native is foretelling successfully to the public who approach her since 2004 onwards.

ANALYSIS ON NO-CONFIDENCE MOTION IN A.P. ASSEMBLY

In regard to the No-confidence motion filed by the Opposition parties led by Telugu Desam in Andhra Pradesh State Assembly, astro friend of us expressed his views on 19 Nov 2011 at about 9-48 AM in YAHOO FORUM that "No-confidence Motion" will be raised on 05 Dec 2011 and on 6th the Government will fall down.

After seeing this, immediately a strong desire is aroused in my mind to know the fact astrologically through K.P. So without making any delay by generating random horary no.177 / 249 the chart is erected. The particulars of it are hereunder furnished:

Horary No.177 / 249, dated 22 Nov 2011 at 06-29-12 PM at Kurnool, Andhra Pradesh, India.

The meaning of No-Confidence Motion is to prove the strength of the concerned members in the Legislative Assembly by showing the majority and support to the existing Government. As the question is raised on behalf of Government (Congress party), considered the 01, 06 and 11 houses in favour of Congress and the 07, 12 and 05 should be considered for the opposition parties.

"Sub lords of 01, 06, and 11 must be the strong significators of houses 01, 02, 03, 06, 10 and 11 (Upachayasthanas) to predict the favour for the Congress (present Government). Similarly, the sub lords of 07, 12, and 05 should be the strong significators of houses 04, 05, 07, 08, 09, and 12 in favour of the opposition parties."

01st Cusp Sub = Sun (**11**-9) Sat (**10-2,3**) Merc(12-7,**10**) = 05
06th Cusp Sub = Ketu(**6-6,11**) Moon(**10**-8) Ven(12-**6,11**) = 06
11th Cusp Sub=Merc(12-7,**10**).Merc(12-7,**10**) Rahu(12-5,12) = 02
Total = 13

07th Cusp Sub= Ven(12*-6,11) Ketu(6-6,11) Ven(12*-6,11) = 02
12th Cusp sub= Ven(12*-6,11) Ketu(6,611) Ven(12*-6,11) = 02
05h Cusp Sub= Mer(12*-7*,10) Mer(12*-7*,10) Rah(12*-5*,12*)= 07
Total = 11

From the above table, it is crystal clear that the houses 1, 2, 3, 6, 10 & 11 appear thirteen times in favour of the present ruling party (Congress), and the houses 4, 5, 7, 8, 9 & 12 appear eleven times in favour of opposition party. Therefore we can come to a conclusion astrologically that nothing will happen to the present Government and it will be continued.

Horary No. 177/249

K.P. REVEALS SEXUAL CONTACT WITH A PARTICULAR LADY

V S N MURTHY
K.P. Astrologer

On 23-09-2011, a gentleman came to my office and asked a wonderful question, "Will I be lucky to have sexual contact with a particular lady or not?" (He is not willing to express the details of that lady). On listening it really I stunned. I have no words to answer him. After a few minutes, I asked him to give a number within 249. Immediately he said 226 out of 249. I asked him to come back on 25-09-2011 to obtain my prediction.
The details of the horary chart are given hereunder:-

Horary Number:- 226/249; D.O.J. = 24-09-2011, Saturday,
T.O.J. = 04-30-53 PM; P.O.J. = Kurnool.

Before going to examine this question, first of all let us recollect the following some astrological basic points.

05th house :- Love affairs, Courtship and licentiousness, Kidnap, rape, liaisons with courtesans, legitimate and illegitimate attraction and Social inter-course between sexes prior to wedlock after marriage come under this house. It represents the seat of physical and magnetic attractions between the opposite sexes. A pleasure in so many ways is also indicated by this house. Pleasure and happiness out of ejaculation is also evinced through this house.

7th house:- It may be said to indicate all those with whom the native transacts or deals in any manner. It also denotes whether one will mix-up

freely in society. It also indicates opposite sex. It describes one's sexual tendencies.

08th house:- wrong actions such as sexual contacts with others , functioning of genital organs, Spontaneous sexuality/blocked sexual functioning or obsessive sexuality. Flow of sexual force is shown by this house.

11th house:- Realization of one's ambitions. Profit in every under taking, 11th is the 5th counted from 7th.

02nd house:- Possession of anything is indicated by this house.

03rd house:- Courage, firmness, valour, prowess and heroism etc. are indicated. Easyness and elopement is also indicated. Casual acquaintances, neighbours, meeting of persons etc. etc are all indicated.

12th house:- Secret working of the mind and Bed comforts are indicated.

Let us ascertain whether there is an urge in querist mind or not. Moon indicates the mind of the querist. Moon(6-6) is in the star of Mercury(**7-5**) and in the sub of Rahu+ at 9 in the star of Mercury(**7-5**).

Now let us start to analyze the horary chart.

5th cusp falls in Gemini (24-38-45). It's co-rulers are Mercury / Jupiter / Mercury/Sun as sign/star/sub/sub-sub lords respectively.

5th & 11th cuspal sub lord Mercury (7-5) is in the star of Sun(7-7) and in the sub of Saturn(7-1,12).

5th cusp sub lord Mercury is deposited in the constellation of Sun who is the significator of the seventh house. So materialization of love affair is promised.

7th & 8th cuspal sub lord Ketu(3) is in the star of Mars(5-2,9,10) and in the sub of Rahu at 9 is in the star of Mercury(7-5).

To answer for this type of question, we have to examine the 1st cusp sub lord. If it is connected to 5th, 7th, and 8th then only such type of illegal and illicit contact with a particular lady will take place surely.

First cusp sub lord Venus (**7**-**3**, 4, **8**) is in the star of Moon (6-6) and in the sub of Saturn (7-1,12)

(5th = courtship and licentiousness, illegal contacts, Pleasure out of ejaculation etc.etc. 7th=one's sexual tendencies, Opposite sex; 8th = wrong actions such as sexual contacts with other ladies, functioning of the genital organs. 3rd= easiness and elopement; 1st= self (querist); 12th = bed comforts).

Mercury dasa / Rahu bhukthi / Ketu anthra=22-09-2011 to 26-10-2011. Mercury dasa / Rahu bhukthi / Ketu anthrax / Rahu sookshma = 24-09-2011 to 02-10-2011.

Dasa lord Mercury signifies strongly 7 & 5. Bhukthi & Sookshma lord Rahu signifies strongly 7 & 5. Anthra lord Ketu signifies 5 &7 strongly.

One more important thing in this horary chart is that all most all the nine planets are signifying 7 & 5. Sun, Moon, Mars, Mercury, Jupiter & Rahu signify 7 as "A" grade. Saturn and Ketu signify 5 as "A" grade. Venus signifies 7 as "B" grade.

After careful consideration of the above matter I came to a conclusion and declared my prediction that he will certainly enjoy that lady as the 1st, 5th, 7th, 8th, and 11th, cuspal sub lords are signifying the relevant houses.

I came to know through one of his close relatives that he eloped with a the lady on 27-09-2011, enjoyed her and lastly they were both caught by the relatives of that lady in a small village near Tadipatri. Some terms and conditions were imposed on them for marriage. By accepting them he married her in a small church in a simple way.

I am very proud to say that only K.P. followers can answer for this type of questions, but not others.

Long Live K.P.

OATH TAKING CHART OF DELHI CHIEF MINISTER

VSN MURTHY,
K.P.Astrologer,
Sri Datta Sai Ram Astro Centre,

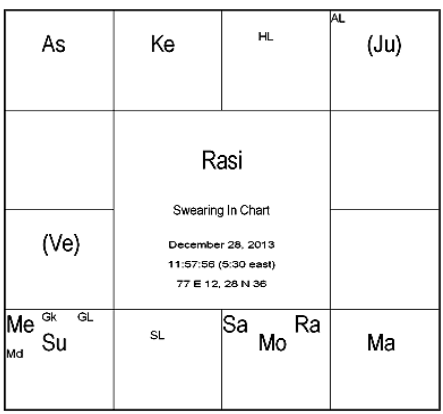
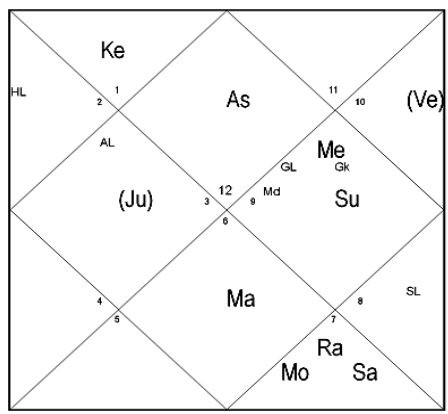
An analysis on the "Swearing in Chart" of Honourable Chief Minister Shri. Arvind Kejriwal of Delhi is as follows by considering the Swearing in particulars.

Date = 28 Dec 2013, Saturday; Time = 11-57-56 AM; Ramleelamaidan, Delhi. (28-39N; 77-14E).





As:	7 Pi 35	Su:	12 Sg 43- PK	Mo:	15 Li 23- PmK	Ma:	16 Vi 00- MK
Me:	12 Sg 09- GK	Ju (R):	22 Ge 39- AmK	Ve (R):	4 Cp 11- DK	Sa:	26 Li 04- AK
Ra:	10 Li 30- BK	Ke:	10 Ar 30	HL:	3 Ta 03	GL:	3 Sg 50

Cusp	Star lord	Sub lord		Body	Star lord	Sub lord
01st	Sa	Ke		As	Sa	Ke
02nd	Ve	Ve		Su	Ke	Me
03rd	Mo	Ra		Mo	Ra	Ve
04th	Ra	Ra		Ma	Mo	Sa
05th	Ju	Ma		Me	Ke	Me
06th	Me	Sa		Ju	Ju	Sa
07th	Su	Ke		Ve	Su	Sa
08th	Ra	Ke		Sa	Ju	Ke
09th	Sa	Ra		Ra	Ra	Sa
10th	Ke	Ra		Ke	Ke	Sa
11th	Su	Ra				
12th	Ma	Sa				

Rules and regulations:-

(1) Always give importance to Ascendant Sub lord in Muhurtha chart because longevity of the auspicious event is a must.

(2) Ascendant Sub lord should signify 1, 5, 9, and 11 for long life of e vent. (If you select fixed sign as lagna, do not consider 9th).

(3) 9th sub lord should signify 9, 10, 11, 2 and 6. Sub lord should be Saturn or Mars.

(4) 10th sub lord should signify 9, 10,11,2 and 6. Sub lord should be Saturn or Mars.

(5) 11th sub lord should signify 9, 10, 11, 2 and 6.

(6) Dasa and Bhukthi should signify 9, 10, 11, 2 and 6.

(7) Never select Chara lagna in K.P. Muhurtha chart.

Ascendant sub lord Ketu (1) in its own star Ashwini, So, it signifies 01 star wise. It's sub lord Saturn (8-11, 12) is in the star of Jupiter (4-1, 10). So 4-8-12 is clearly seen. It is not a good one for longevity.

9th, 10th & 11th Sub lord Rahu is the occupant of 7 (maraca house and also it indicate the strong opposition) and in its own star Swati. It is in the sub of Saturn (8-12 &11). The signification of 7-8-12 is not good.

Dasa lord Rahu is also not good (as explained above). Bhukthi lord Venus (11-3,8) is in the star of Sun(10) and in the sub of Saturn(8-12, 11).

By taking in to consideration the above astrological points, I conclude that Sri. Arvind Kejriwal may not be complete his full tenure as C.M. of Delhi. His tenure may be ended at any time within the period of 5 years from the date of taking the oath as CM of Delhi.

NARENDRA MODI WILL BE THE PRIME MINISTER OF INDIA

The following analysis is only for professional study. This is not intended to blame, hurt, and disappoint any individual nor group nor party. This analysis is only meant for how Krishnamurthy Paddhathi Astrology analyzes fate, performance of Mundane related aspect in the Society.

A friend of mine came to my office on 07-03-2014 and questioned me "Will Sri. Narendra Modi becomes the Prime Minister of India after the 16th Lok Sabha Elections?" I asked him to tell a number with in 249. At once he said 94. Immediately, a horary chart is erected.

Horary Number = 94/249.
Date of Judgment = 07-03-2014, Friday.
Time of Judgment = 02-51-31. PM.
Place of Judgment =Kurnool (A.P).

Analysis:-

Sun is the owner and the sub lord of the Ascendant. The Ascendant Leo is aspected by the lord of that sign, Sun. Jupiter is also aspecting the lagna lord Sun with his special aspect (9th aspect). This is a good positive indication in general.

ASTROVISION MAGAZINE - NAIRS PUBLISHING HOUSE

Consider the sub lords of 1st, 6th and 11th houses for the favoured person (Modi) and their opposite houses (i.e) 7th, 12th, and 5th for the opponent person. Sub lords of 1, 6 and 11 must be strong significators of houses 1, 2, 3, 6, 10 and 11 to predict win/success for the required person in question. Similarly the sub lords of 7th, 12th and 5th must be strong significators of houses 4, 5, 7, 8, 9, and 12 in favour of the opponent.

Let us examine the significator table (on behalf of Modi) as shown below:-

		A	B	C	D
1st CSL	Sun	11	7	5, 8	1
6th CSL	Saturn	11	3	5, 8	6, 7
11th CSL	Venus	7	5	1	3, 10

From the above table, it can be seen that houses 1,2,3,6,10 and 11 appear **eight times** in favour of Modi.

		A	B	C	D
7th CSL	Venus	7	5	1	3, 10
12th CSL	Jupiter	2	11	---	5, 8
5th CSL	Moon	7	9	1	12

From the above given table, it can be seen that the houses 4,5,7,8,9 and 12 appear **seven times** in favour of Opposite person. So it is concluded that Mr. Narendra Modi will become the Prime Minister of India after the 16th Lok Sabha Elections surely.

If the lord of the 6th house is connected with the 11th house, or the 11th house is connected with the lord of the 6th house, success in elections/litigations/competitions is realized.

In this horary chart, (a) Saturn is the owner as well as the sub lord of the 6th house. Saturn is in the star of Jupiter who is in 11.

Thus he is the "A" grade significators for 11. (b) Mercury, the 11th lord is the occupant of 6th. The 6th cusp sub lord Saturn is in the sign of the 11th cusp sub lord's sign (in Venus sign Libra) and the 11th cusp sub lord Venus is in the sign of the 6th cusp sub lord's sign (in Makaram). Mutual exchange of Saturn (6th sub lord) and Venus (11th sub lord) is seen clearly. So we can predict the winning of Mr. Narendra Modi.

Let us check this Muhurta with K.P.System

RULES AND REGULATIONS are as follows:-

(1) Ascendant sub lord should signify 1, 5, 9, and 11 for long life of an event, (do not consider 9th if you select fixed sign).

(2) 9th sub lord should signify 9,10,11/2,6. Sub lord should be Saturn or Mars.

(3) 10th sub lord should signify 9,10,11,2,6. Sub lord should be Saturn or Mars.

(4) 11th sub lord should signify 9,10.11.2.6.
(5) Do not select Chara Lagna (Movable sign).
(6) Dasa and Bhukthi should signify 9,10,11,2,6.

(1) Moon, the Ascendant Sub lord is in the star of Rahu and in the sub of Venus.

Moon is in the occupant of 11 and the lord of 12(Moksha). Starlord Rahu is the occupant of 2(Maraka). It is in it's own star and sub. It is conjoined with Mars[2(Maraka)-**4(End),9(Badhaka)]** and Sat[3-6,7(Maraka)].
Sub lord Venus(5-3,10) is in the star and sub of Moon[II-**12(Moksha)].** No planets in Venus stars. Venus is the sub lord of **3-7(Maraka)-II.**
Ascendant sub lord signifies Maraka, Badhaka, Moksha, and also End. So ***short longevity is promised*** in this chart.

When the Ascendant sub lord signifies the short life of a Muhurtha, we need not examine further the points 2,3,4 & 5. Directly the 6th point should be examined as it is related to DBA.

Moon, Mars, Mercury, Jupiter and Rahu are the significators for 2.(as "A"grade). Sun, Venus and Saturn are the significators for 11.(as "A" grade). Ketu signifies 8 as "A"grade.

(2) 9th sub lord Moon signifies 2-6-9-10-11
(3) 10th sub lord Saturn(3-6,7) is in the star of Jupiter(II-5,8) and in the sub of Sun(7-1).

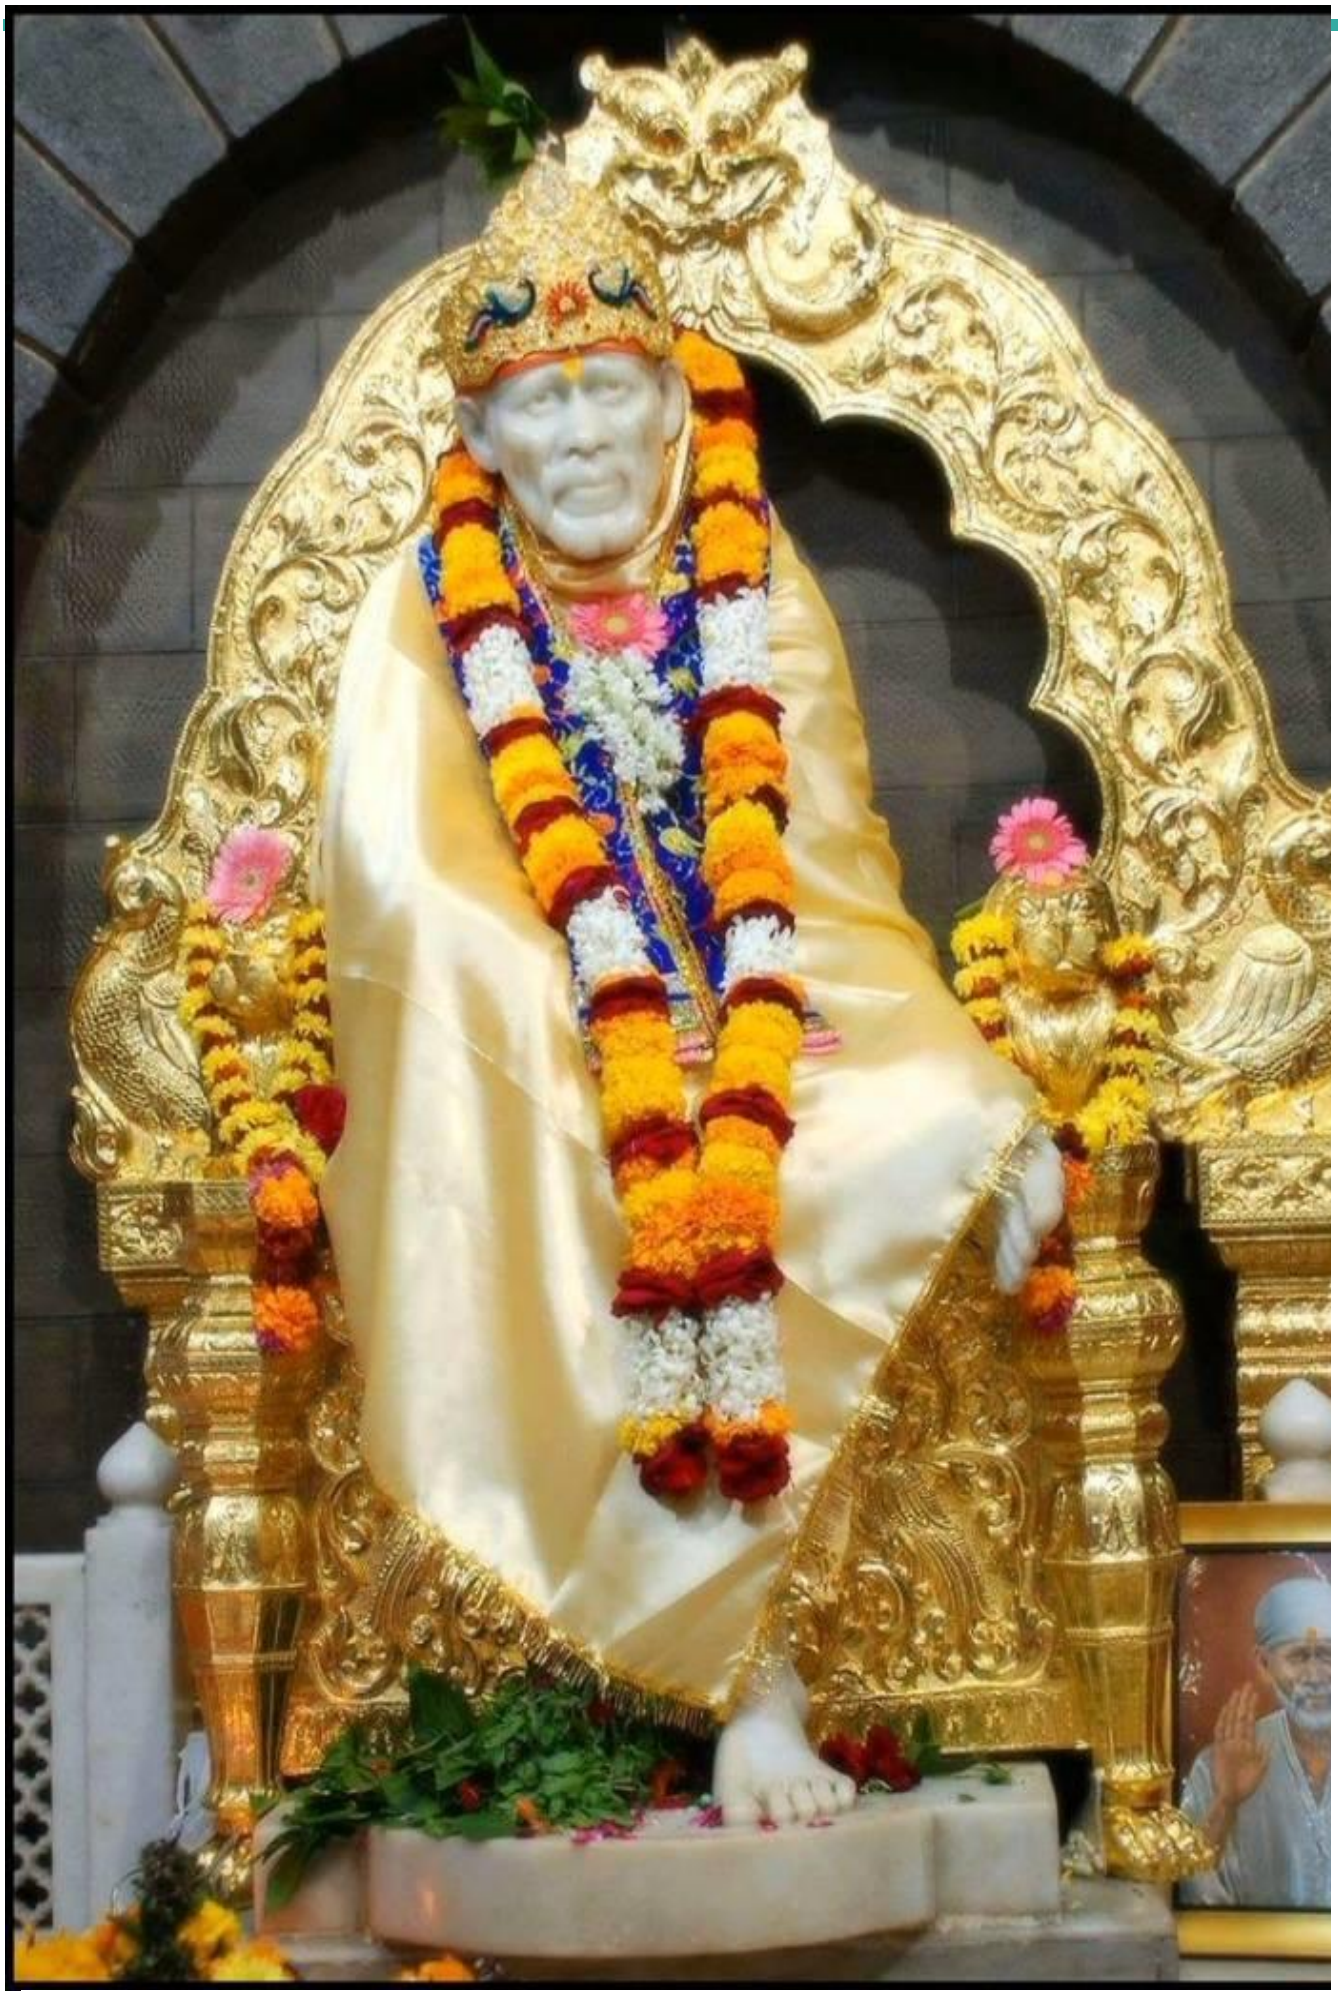
No planets in saturn stars. Saturn is the sub lord of 2-6-10. It aspects 5th, 9th, and 12th houses. Thus Saturn signifies 2-6-10-11 along with other un-required houses.
(4) 11th sub lord Venus(5-3,10) is in the star and sub of Moon(II-12). No planets in Venus stars. Venus is the sub lord of 3-7-11.

(5) Dasanatha Rahu(2) is in it's own star and sub. It is conjoined with Mars(2-4-9) and Saturn(3-6,7).

(6) Bhukthinatha Venus(5-3,10) is in the star and sub of Moon(ll-12). No planets in Venus stars. Venus is the sub lord of 3-7-11. Rahu dasa- Venus bhukti will be up to 25-05-2014. Date of Counting is 16-05-2014.

Dasanatha Rahu signifies 2(maraca), 4(end), 9(badhaka), 3(co-operation to others), 6(some loss to opponents & also debts to self) and 7(maraca).

Bhuktinatha Venus 5(good), 3(co-operation to others by leaving this party or merging into some one), 7(maraca), 10(end), ll(good), 12(moksha). 3 & 9 indicates mutual understandings by taking agreement with other party. Both dasanatha and bhukthinatha of this Muhurtha Chart are not supporting favorably in establishing long longevity

In the light of the above mentioned astrological points, I conclude by declaring that there is short longevity for this Muhurtha. It may be ended at any time. It may be closed or merged with Congress or some other party soon after the elections are over.


Let us wait and observe the changes which and what occurs politically after the elections are over.
